

# JOIN THE FRIENDS OF SALISBURY WORLD

**Imagine having to leave your home, friends and family. Taking a long and often perilous journey. You arrive in your new country. You don't speak the language. You don't know a soul. This is the experience of over 30% of the children at the local schools we engage with.**

Salisbury World is a special charity that helps refugee children and their families adjust to their new situation and become part of the community. Founded in 1999 the centre is the only one of its kind in the country to be based in a school.

Children in Camden, Westminster and Brent have benefited from the charity's expertise.

Salisbury World plays an invaluable role in the local community. The story of this charity is one of positive multi-cultural integration.

Every class in the schools we work with has refugees in it and every one of the children in these schools is touched and enriched by this experience.
